

**Lt Tony Brewster RN. 20.02.1936 -19.08.18**

1966 - 1967: RNAS Stations, Yeovilton and Culdrose.  
1968 HMS PROTECTOR Antarctic Patrol Ship.  
1969 HMS OSPREY, Portland.  
1970 - 1971 RNAS Culdrose.  
1972 HMS BULWARK Aircraft Carrier/Commando Carrier.  
1973 -1975 RNAS Yeovilton.

After leaving the Navy he flew for HM Coastguard and Bristow Helicopters in Scotland. On one occasion he rescued 30 Russian merchant navy sailors from a sinking ship in the North Sea and received a commendation from the King of Norway.

He was a keen sailor and swimmer. Tony was an understated and always cheerful member of the Exeter Flotilla and the FAA Officers Association.
